

## Attachment for Nissan Forklifts

Attachment for Nissan Forklifts - Nissan takes immense delight in achieving overall client satisfaction, when their client is experiencing one of their many products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to offering high value and meticulous quality standards to their customers. Incorporating a fruitful heritage combined with solid manufacturing principals, Nissan Forklifts offer many of the best materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European production warehouse in Sweden to keep up with worldwide lift truck demands. Committed to providing consumer support, the business has four distinct production facilities that allow them to continually adapt to their customers continually evolving wishes by offering a variety of modern ideas and concepts.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are committed to the design, fabrication, and support of their forklift products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to maintain environmental responsibility by using techniques and processes that lessen their environmental footprint. These high standards remind clients that Nissan operates under the quality seal that their consumers demand whilst being an environmentally conscious company.

Nissan is assured that they will be able to address any buyer inquiries or concerns. Always accessible through their website or by calling 800.871.LIFT, reaching one of their locally authorized sellers or even visiting their Midwestern facility, Nissan Forklift Corporation is certain you will be impressed with their warmth and commitment.
