

Forklift Electrical Part

Electrical Part for Forklifts - Lift trucks and different forklifts may have specific labels utilized in certain hazardous locations. The mark denotes that this certain model of forklift meets the minimum standards of ANSI/UL 553 intended for electric forklifts or ANSI/UL 558 for internal combustion engine lift trucks.

Applications for marked lift trucks may be found in National Fire Protection Association NFPA 505 - Powered Industrial trucks including: Areas of Use, Maintenance and Operation, and Type Designations. Check with your local insurance provider and Fire Marshall for additional info regarding the approved uses of industrial powered lift trucks in your application.

If the forklift has been proven to meet the outlined criteria, the following labels may be placed. A marked truck will have the model description put on the forklift nameplate and would have one of the following labels put.
